BORGOGNO

Barolo Riserva DOCG

REGION

Piedmont

VARIETY

Nebbiolo

THE ORIGIN: It comes from our best Crus that give us the true traditional Barolo: CANNUBI, LISTE and FOSSATI, three single vineyards located in the district of Barolo.

THE AGEING: It ages at least five years in large oak barrels, which enhance the balance between elegance and power of the classic Barolo from Barolo.

THE MEANING: A wine with triple personality: it's a wine that represents the highlight of our 250 year long history with the help of three amazing Crus.

TASTING NOTES

Rose, iris, camphor and forest berry aromas mingle with whiffs of pine forest and dark spice. Youthfully austere, and that's a good thing, the firmly structured palate shows wonderful finesse, delivering sour cherry, cranberry and licorice framed in taut, fine-grained tannins and racy acidity. It still needs time, so no rush.

FOOD PAIRINGS

Tasty with important first courses, meat main courses and aged cheeses.
