Superiore DOCG

REGION

Veneto

VARIETY

100% Glera

Nino Franco

Variety and Grapes: Glera exclusively from the San Floriano vineyard.

Vinification Technique: Sparkling wine obtained by second fermentation in "cuve close". Charmat Method.

Type: Brut

Colour: Pale, straw-coloured, bright

Serving Temperature: 6° – 8° degrees

TASTING NOTES

Complex bouquet of fruit salad, peach, apple and lime with the heady scents of wisteria and orange flowers. In the mouth the wine shows the same intensity, supported by good acidity. Fresh fruit, elegance and depth. Fine and persistent.

FOOD PAIRINGS

Drinkable along the whole meal. Perfect matching with oysters and salty fishes. Very pleasant with our local salame called "sopressa".
