

La Gioiosa

Prosecco
DOC Treviso

REGION

Veneto

VARIETY

Glera grapes

Production area: It extends in the province of Treviso into the DOC area of Prosecco including the hills of morainic origin over the plain with medium-textured soils of alluvial origin.

Training method: Single espalier, double canopy and radiating systems.

Harvest time: Second ten days of September.

Vinification: Whole grapes are put into pneumatic press for soft pressing and the resulting must is put into temperature-controlled tanks where it remains until it is used for the production of the sparkling wine.

Second fermentation: The must is then put into vessels where the fermentation takes place at 15-16° C to enhance all the harvest fragrances. Upon reaching the required alcohol and sugar content, the fermentation is stopped by refrigeration.

TASTING NOTES

Very pale straw yellow and a fine, persistent perlage. The aroma is fruity and flowery with hints of ripe golden apple and small mountain flowers. The dry, fresh and flavorsome sensation on the palate is followed by a fruity and harmonious aftertaste.

FOOD PAIRINGS

An excellent aperitif to accompany savories. Ideal with steamed shellfish.
