

Birra Dolomiti

Pils
Blond Lager

REGION

Veneto

From the traditional recipe invented in the Bohemian city of Pilsen in 1842. A true blond lager.

4.9% vol.

Format: 0.33 Lt

Birra Dolomiti is crafted using pure alpine spring water from the Dolomite Alps in northeastern Italy. Only foraged wild hops, indigenous to the area, are used in production. And locally farmed barley, from a native clone, is used to give this pilsner-style beer its distinctive flavor.

TASTING NOTES

Lager Beer, light in color with golden reflections, full and balanced taste. Fine and persistent foam.

FOOD PAIRINGS

Very refreshing, ideal throughout the whole meal or for an aperitiv.
