

Borgogno

Cannubi
Barolo DOCG

REGION

Piedmont

VARIETY

Nebbiolo

THE ORIGIN: It comes from our most famous vineyard, the one that from 2008 gives us elegance and austerity to Barolo Borgogno: CANNUBI, located in the district of Barolo.

THE AGEING: It ages for at least 4 years in “small” oak barrels (if 33hl is small!!!) which are able to enhance the uniqueness of Nebbiolo Barolo.

THE MEANING: A single vineyard in a glass. It tells the story of Barolo, when this wine didn't exist as a wine yet, but the vineyard Cannubi did.

TASTING NOTES

A garnet red color, flowery and balsamic hints, very elegant with smooth tannin.

FOOD PAIRINGS

Delicious with main courses of meat, braised meat or bacon.
