

Poggio Antico

Altero
Brunello di Montalcino DOCG

REGION

Montalcino, Siena (Tuscany)

VARIETY

100% Sangiovese

While we first produced this wine in 1983, it has actually only been a Brunello since 1995 due to a change in the aging in oak regulations for the production of Brunello which were reduced to 2 years. This modern expression of Brunello gained fame when President Obama gifted a bottle to speak Boehner and it made the CNN news!

Altero was made from a selection of the best wine in the cellar. Aged for just 2 years in 500L French oak barrels, and then bottle aged for another 2 years prior to release, the 2012 vintage is definitely cellar worthy.

TASTING NOTES

Juicy red currants, cherries, and sprigs of fresh rosemary are robed in vanilla and baking spice with just a wisp of smoke.

FOOD PAIRINGS

Best with BBQ or lightly smoked meats and cheeses.
