

Poggio Antico

Brunello di Montalcino
Riserva DOCG

REGION

Montalcino, Siena (Tuscany)

VARIETY

100% Sangiovese

Only made during exceptional years from a very special selection. The fullest of our 3 Brunellos, this is our only wine aged in both types of wood barrels (French and Slavonian).

The aging process for our Riserva began with 1 year in French oak barrels, followed by 2 1/2 years in large Slavonian oak barrels.

This wine is enjoyable now, but can also be cellared for some time to come.

TASTING NOTES

Incredibly powerful, bold, and complex, this brunello is bursting with Bing and maraschino cherries, cassis, and just a hint of balsamic.

FOOD PAIRINGS

Perfect with steak Fiorentina or quiet contemplation.
