

Sella & Mosca

Anghelu Ruju
Rosso Liquoroso Riserva DOC

REGION

Sardegna

Dried naturally in the sun, the grapes are vinified and fortified, a process that increases the wine's liquor characteristics. The deriving wine has a strong territorial mark.

Anghelu ruju takes its name from a pre-nuragic archaeological site, discovered in 1903 within the Sella & Mosca estates.

TASTING NOTES

Intense and deep, with a full, rich and complex bouquet.

FOOD PAIRINGS

A sipping wine, extremely versatile for accompanying cakes.
